Side Effects

-Our lawyer says they're full of shit.

-Well the warning was specific, though pill mostly placebo, really.

-It got her sure enough.

-Terrible! Did she actually turn...?

-Purple. Except her eyes, Corn-Yellow as can be, and popping out.
Then the shriek! Jesus!

-And that's all she wrote.

-No, she wasn't writing anything.

-Just an expression.

-Anyway...just to lose five pounds.

-I'm worried about any settlement. Language of disclaimer.

-They nailed how it happened to her, thirteen paragraphs.

-500 words alone on the popping eyes.

-Almost a promise.
